	D	Botticelli
	E	None of the above
	Correct Answer	B
	Marks	1

51	Comprehension	<p>Read the passage below and answer the questions</p> <p>Knowledge is a form of union of Self and not-Self; like all unions, it is impaired by dominion, and therefore by any attempt to force the universe into conformity with what we find in ourselves. There is a widespread philosophical tendency towards the view which tells us that Man is the measure of all things, that truth is man-made, that space and time and the world of universals are properties of the mind, and that, if there be anything not created by the mind, it is unknowable and of no account for us. This view, if our previous discussions were correct, is untrue; but in addition to being untrue, it has the effect of robbing philosophic contemplation of all that gives it value, since it fetters contemplation to Self. What it calls knowledge is not a union with the not-Self, but a set of prejudices, habits, and desires, making an impenetrable veil between us and the world beyond. The man who finds pleasure in such a theory of knowledge is like the man who never leaves the domestic circle for fear his word might not be law.</p>
	Question Description	According the passage, the philosophical view which considers “Man” as the measure of all things and truth to be man-made, espouses ----- in lieu of knowledge

A	union with Non-self
B	prejudices, habits and desires
C	union with Self
D	impenetrable veil between self and the world beyond
E	None of the above
Correct Answer	D
Marks	1

52 **Comprehension** Read the passage below and answer the questions

Knowledge is a form of union of Self and not-Self; like all unions, it is impaired by dominion, and therefore by any attempt to force the universe into conformity with what we find in ourselves. There is a widespread philosophical tendency towards the view which tells us that Man is the measure of all things, that truth is man-made, that space and time and the world of universals are properties of the mind, and that, if there be anything not created by the mind, it is unknowable and of no account for us. This view, if our previous discussions were correct, is untrue; but in addition to being untrue, it has the effect of robbing philosophic contemplation of all that gives it value, since it fetters contemplation to Self. What it calls knowledge is not a union with the not-Self, but a set of prejudices, habits, and desires, making an impenetrable veil between us and the world beyond. The man who finds pleasure in such a theory of knowledge is like the man who never leaves the domestic circle for fear his word might not be law.

Question Description As per the passage, what is impaired by any attempt to force the universe into conformity with what we find in ourselves?

A	self
B	non-self
C	union
D	knowledge
E	None of the above
Correct Answer	D
Marks	1
