Title *	Question Paper Answer Key
OES Exam *	GPSC10202415 / Technical Officer / Completed / 2025-03-02

1	Question Description	The double Ikat technique, where both the warp and weft yarns are dyed before weaving to create intricate patterns, is most famously practiced in which Indian state?
	A	Gujarat
	B	Maharashtra
	C	Odisha
	D	Andhra Pradesh
	E	None of the above
	Correct Answer	A
	Marks	1

2	Question Description	Which of the following is an essential component of effective office management in a handicraft production center?
	A	Strict adherence to rigid hierarchies and policies
	B	Efficient document management and organization
	C	Limiting communication to email only
	D	Reducing the use of technology to maintain simplicity
	E	None of the above
	Correct Answer	B
	Marks	1

3	Question Description	In the context of managing handloom and handicraft production, what is the role of a supervisor in ensuring quality control?
	A	Enforcing strict compliance with raw material standards
	B	Ignoring artisans' creative inputs to focus only on production goals
	C	Training artisans to maintain consistent quality and overseeing production processes
	D	Limiting artisan feedback to maintain uniformity in products
	E	None of the above
	Correct Answer	C
	Marks	1

4	Question Description	Which weaving technique is known for its ability to produce fine, lightweight fabrics with a high degree of transparency?
	A	Tapestry
	B	Brocade
	C	Dobby
	D	Chiffon
	E	None of the above
	Correct Answer	D
	Marks	1

5	Question Description	Which digital tool can be most beneficial for artisans in the Indian handloom and handicraft industry to improve their design skills and reach global markets?
	A	Product design software (e.g., CAD)
	B	Television and radio programs
	C	Mobile phones for local communication
	D	Brick-and-mortar retail stores
	E	None of the above
	Correct Answer	A
	Marks	1

6

Question Description	Which of the following is a critical factor in the quality control of yarn production, ensuring that the yarn has consistent strength and thickness throughout its length?
A	Twist per inch (TPI)
B	Yarn count
C	Yarn tension
D	Yarn evenness
E	None of the above
Correct Answer	D
Marks	1

7	Question Description	What is the primary advantage of using a Jacquard loom in handloom weaving?
	A	Increased production speed
	B	Reduced labor cost
	C	Ability to create complex patterns
	D	Simplified weaving process
	E	None of the above
	Correct Answer	C
	Marks	1

8	Question Description	Which of the following is a key benefit of promoting handicrafts through public events such as fairs and exhibitions?
	A	The ability to increase mass production and standardization of crafts
	B	Raising awareness about traditional art forms and encouraging cultural preservation
	C	Exclusively targeting the corporate market for high-end products
	D	Reducing government intervention in the handicraft sector
	E	None of the above
	Correct Answer	B
	Marks	1

9

Question Description	When planning an exhibition for handicrafts and handlooms, which of the following is a critical factor to consider for attracting the right audience?
A	The location's proximity to tourist spots
B	The availability of discount coupons for visitors
C	The selection of a venue that aligns with the target market and the theme of the exhibition
D	Free entry for all visitors
E	None of the above
Correct Answer	C
Marks	1

10

Question Description	What is the primary purpose of regular maintenance of handloom equipment?
A	To increase production speed
B	To enhance fabric quality
C	To reduce labor costs
D	To extend equipment lifespan
E	None of the above
Correct Answer	D
Marks	1

11

Question Description	Which technique involves the use of a supplementary weft to create intricate patterns on the fabric?
A	Ikat
B	Jamdani
C	Brocade
D	Tapestry
E	None of the above
Correct Answer	B
Marks	1

12	Question Description	In the context of textile fibers, what is the primary distinguishing feature between staple fibers and filament fibers?
	A	Length
	B	Strength
	C	Elasticity
	D	Luster
	E	None of the above
	Correct Answer	A
	Marks	1

13	Question Description	Which process in textile manufacturing involves the application of a chemical finish to improve fabric resistance to wrinkling and creasing?
	A	Singeing
	B	Mercerization
	C	Sanforizing
	D	Resin finishing
	E	None of the above
	Correct Answer	D
	Marks	1

14	Question Description	Which government initiative aims to support the socio-economic development of handloom and handicraft artisans in India?
	A	Make in India
	B	PMGDISHA (Pradhan Mantri Gramin Digital Saksharta Abhiyan)
	C	National Handicrafts Development Program (NHDP)
	D	Digital India
	E	None of the above
	Correct Answer	C
	Marks	1

15	Question Description	Which of the following is an important practice for maintaining documentation in an office environment?
	A	Storing all documents in physical format only
	B	Implementing a clear filing and indexing system
	C	Allowing unstructured storage of documents for flexibility
	D	Not keeping copies of financial records
	E	None of the above
	Correct Answer	B
	Marks	1

16	Question Description	Which of the following methods is most effective for preserving traditional handloom weaving techniques while enhancing the skills of artisans in India?
	A	Online tutorials and e-learning platforms
	B	Apprenticeship and mentorship under experienced artisans
	C	Simulation-based training using digital tools
	D	Classroom-based theoretical training on modern weaving techniques
	E	None of the above
	Correct Answer	B
	Marks	1

17	Question Description	Under the PM Vishwakarma Scheme, which of the following is eligible to receive financial assistance?
	A	Artisans involved in non-traditional crafts only
	B	All artisans who have been practicing traditional crafts for at least 5 years
	C	Individuals with a formal degree in handicrafts
	D	Only self-employed artisans who do not have any formal education
	E	None of the above
	Correct Answer	B
	Marks	1

18	Question Description	Which of the following supervisory skills is most critical for improving productivity in handloom and handicraft production centers in India?
	A	Delegation of responsibilities
	B	Conflict resolution
	C	Time management and production scheduling
	D	Market analysis and sales forecasting
	E	None of the above
	Correct Answer	C
Marks	1	
19	Question Description	What is the primary objective of fabric inspection during quality control in textile production?
	A	To check for color consistency only
	B	To measure the fabric's durability
	C	To detect and identify fabric defects such as holes, stains, and weaving irregularities
	D	To determine the fabric's weight
	E	None of the above
	Correct Answer	C
Marks	1	

20	Question Description	Which of the following is the primary challenge faced by handloom and handicraft production centers in India when adopting modern technology?
	A	High cost of traditional materials
	B	Resistance to change from artisans
	C	Lack of skilled artisans
	D	Over-dependence on foreign markets
	E	None of the above
	Correct Answer	B
	Marks	1

21	Question Description	What is the primary characteristic of the Ikat weaving technique?
	A	Use of a single color
	B	Use of multiple colors
	C	Use of resist-dyeing before weaving
	D	Use of a single weft thread
	E	None of the above
	Correct Answer	C
	Marks	1

22	Question Description	Which of the following strategies is most effective for promoting handicrafts through public events?
	A	Focusing only on product sales without engaging the audience
	B	Including live demonstrations of handicraft techniques and engaging artisans in storytelling
	C	Offering large discounts on products without any emphasis on the artisan's story
	D	Limiting the event to local artisans only and not opening it to a broader audience
	E	None of the above
	Correct Answer	B
	Marks	1

23	Question Description	Which of the following schemes is designed to enhance the infrastructure and provide financial support to the handloom sector in India?
	A	Pradhan Mantri Mudra Yojana
	B	Handloom Mark Scheme
	C	National Handloom Development Programme (NHDP)
	D	Pradhan Mantri Kaushal Vikas Yojana
	E	None of the above
	Correct Answer	C
	Marks	1

24	Question Description	Which of the following strategies can enhance the global competitiveness of handloom and handicraft production centers while preserving traditional craftsmanship?
	A	Limiting production to only traditional designs
	B	Reducing the involvement of technology in the production process
	C	Enhancing design innovation while maintaining traditional techniques
	D	Avoiding e-commerce platforms and international trade fairs
	E	None of the above
	Correct Answer	C
	Marks	1
25	Question Description	Which of the following is NOT a characteristic of handloom weaving?
	A	High production speed
	B	Flexibility in design
	C	Low initial investment
	D	Manual operation
	E	None of the above
	Correct Answer	A
	Marks	1

26	Question Description	Which government scheme supports the marketing of handicrafts and handlooms and aims to provide access to national and international markets for artisans in India?
	A	Design Development and Market Promotion Scheme
	B	Swachh Bharat Abhiyan
	C	National Rural Employment Guarantee Scheme
	D	Pradhan Mantri Awas Yojana
	E	None of the above
	Correct Answer	A
	Marks	1

27	Question Description	Which of the following is NOT a common maintenance task for handloom equipment?
	A	Cleaning the loom
	B	Lubricating moving parts
	C	Replacing worn-out parts
	D	Increasing the tension of the warp yarn
	E	None of the above
	Correct Answer	D
	Marks	1

28	Question Description	Which Indian weaving technique involves the use of extra weft threads to create raised patterns, commonly seen in textiles such as Banarasi and Kanjivaram sarees?
	A	Jacquard Weaving
	B	Ikat Weaving
	C	Brocade Weaving
	D	Dobby Weaving
	E	None of the above
	Correct Answer	C
	Marks	1

29	Question Description	Which of the following is the primary objective of organizing exhibitions for handicrafts and handlooms?
	A	To promote international trade only
	B	To provide a platform for artisans to showcase their work and connect with buyers
	C	To create a tourism-based attraction
	D	To provide government subsidies to artisans
	E	None of the above
	Correct Answer	B
	Marks	1

30

Question Description Which type of handloom is most suitable for weaving fine, lightweight fabrics?

A Pit loom

B Frame loom

C Jacquard loom

D Dobby loom

E None of the above

Correct Answer B

Marks 1

31

Comprehension

Read the passage below and answer the Questions:

Climate change is one of the most pressing issues of our time. Rising global temperatures, changing weather patterns, and the melting of polar ice caps are clear indicators that the Earth's climate is changing. While human activity, such as deforestation and burning fossil fuels, is a major contributor, natural factors like volcanic eruptions and solar radiation also play a role. It is essential that countries collaborate to mitigate the effects of climate change.

Question Description

What is one indicator of climate change mentioned in the passage?

A

Higher birth rates

B

Rising global temperatures

C

Increasing rainfall

D

Higher oxygen levels

E

None of the above

Correct Answer

B

Comprehension

Read the following passage and answer the questions given below it:-

If we wish to do with war, we must provide for the settlement of national differences by an international court. This court should be in perpetual session; its members should be selected by the various Governments to be affected by its decisions, and, at the command and disposal of this court, the rest of Christendom being disarmed, there should be a military force sufficient to carry its judgement into effect. There should be no other excuse, no other business for an army or a navy in the civilized world. No man has imagination enough to paint the agonies, the horrors, and cruelties of war. Think of sending shot and shell crashing through the bodies of men!

Question Description

Identify the word or phrase from the passage that implies “ continuous or recurring conduct of business”

A

international court

B

army or navy in the civilized world

C

perpetual session

D

carry its judgement into effect

E

None of the above

Correct Answer

C

53

Question Description

Read the below passage carefully and answer the question:

Some groups want to outlaw burning the flag. They say that people have fought and died for the flag and that citizens of the United States ought to respect that. But I say that respect cannot be leg-islated. Also, most citizens who have served in the military did not fight for the flag, they fought for what the flag represents. Among the things the flag represents is freedom of speech, which includes, I believe, the right for a citizen to express displeasure with the government by burning the flag in protest.

Which of the following is similar to the argument made by the speaker?

A

The rich should not be allowed to "buy" politicians, so the Congress should enact campaign finance reform.

B

The idea of freedom of religion also means the right not to participate in religion, so mandated school prayer violates freedom of religion.

C

The Constitution guarantees freedom to own property, so taxes should be illegal.

D

Convicted felons should not have their convictions overturned on a technicality.
