	Correct Answer	B
	Marks	1

42	Question Description	The programme that is most beneficial for the education of gifted children is.....
	A	Provision of extra-curricular and co-curricular activities.
	B	Conducting psychological tests as frequently as possible.
	C	Providing extra guidance and counselling services.
	D	Ability grouping
	E	None of the above
	Correct Answer	D
	Marks	1

43	Question Description	The programmed instruction such as educational quizzes as a game uses the learning paradigm of _____
	A	Classical conditioning
	B	Operant conditioning
	C	Instructional conditioning
	D	Instrumental conditioning
	E	None of the above
	Correct Answer	B
	Marks	1

44	Question Description	In the context of financial management, which of the following is the best approach for schools to ensure that they are maximizing their resources while minimizing waste?
	A	Relying solely on governmental funding for all expenses
	B	Implementing cost-benefit analysis to evaluate financial decisions
	C	Reducing funding for non-academic programs to increase classroom spending
	D	Using a static budget that doesn't allow for adjustments based on changes in income or expenditure
	E	None of the above
	Correct Answer	B
	Marks	1

45

Question Description	CIPP (Context, Input, Process and Product) model is used for _____ evaluation.
A	Formative
B	Summative
C	Formative and Summative
D	Diagnostic
E	None of the above
Correct Answer	C
Marks	1

46

Question Description	Which of the following management principles in educational administration focuses on the idea that authority should be balanced with corresponding responsibility, meaning that individuals should be held accountable for their actions and decisions?
A	Principle of Responsibility
B	Principle of administration
C	Principle of Centralization
D	Principle of Efficiency
E	None of the above
Correct Answer	A
Marks	1

47

Question Description	Which of the following is a key recommendation of the NEP 2020 regarding the assessment of students in schools, particularly with regard to summative assessments?
A	Increasing the frequency of high-stakes exams
B	Shifting the focus from rote learning to competency-based assessment
C	Mandating standardized exams for every subject at every grade level
D	Reverting to the traditional annual examination system for better measurement
E	None of the above
Correct Answer	B
Marks	1

48

Question Description	Which of the following is a critical challenge in budgeting for schools, particularly in terms of long-term sustainability and fiscal health?
A	Frequent budget adjustments without comprehensive analysis
B	Proper allocation of funds to academic programs only
C	Underestimating the need for professional development and staff training
D	Maintaining surplus funds without reinvestment into school infrastructure
E	None of the above
Correct Answer	A
Marks	1

Comprehension

Read the following passage and answer the questions given below it:-

If we wish to do with war, we must provide for the settlement of national differences by an international court. This court should be in perpetual session; its members should be selected by the various Governments to be affected by its decisions, and, at the command and disposal of this court, the rest of Christendom being disarmed, there should be a military force sufficient to carry its judgement into effect. There should be no other excuse, no other business for an army or a navy in the civilized world. No man has imagination enough to paint the agonies, the horrors, and cruelties of war. Think of sending shot and shell crashing through the bodies of men!

Question Description

Identify the word or phrase from the passage that implies “ continuous or recurring conduct of business”

A

international court

B

army or navy in the civilized world

C

perpetual session

D

carry its judgement into effect

E

None of the above

Correct Answer

C
